

The Third World Congress on Mild Approaches in Assisted Reproduction *Embracing Mild IVF and IVM*

Scientific Program

July 30, 2010

Friday

09:00-09:35 Plenary Lecture 1: "Mild IVF"		
Chair: Geeta Nargund, London, UK		
Chair: Osamu Kato, Tokyo, Japan		
09:00	Speaker	"Mild ovarian stimulation for IVF" Bart Fauser, Utrecht, The Netherlands
09:35-10:35 Session 1: "Low-cost IVF for developing countries"		
Chair: Willem Ombelet, Genk, Belgium		
Chair: Ian Cooke, Sheffield, UK		
Co-Sponsored by Eiken Chemical Co., Ltd TOSOH CORPORATION		
09:35	Speaker 1	"Infertility care in poor-resource countries: The Arusha project" Willem Ombelet, Genk, Belgium
09:55	Speaker 2	"Low-cost IVF for developing countries" Ian Cooke, Sheffield, UK
10:15	Speaker 3	"Low Cost Controlled Ovarian Stimulation in ART - Our Experience" Sudarshan Ghosh-Dastidar, Kolkata, India
10:35-10:55 Coffee Break		
10:55-11:55 Session 2: "Natural/modified natural cycle IVF using GnRHa"		
Chair: Osamu Kato, Tokyo, Japan		
Chair: Sherman Silber, Missouri, USA		
Co-Sponsored by Mochida Pharmaceutical Co., LTD		
10:55	Speaker 1	"The impact of 19,467 IVF cases/year based on natural cycle IVF" Yuji Takehara, Tokyo, Japan
11:15	Speaker 2	"Repeated Implantation Failure: Immunological Aspects And Evidence Based Treatment Modalities" Antonis Makrigiannakis, Herakleion, Greece
11:35	Speaker 3	"Natural/modified natural cycle IVF" Sherman Silber, Missouri, USA
11:55-12:30 Poster Viewing		
12:30-13:30 Sponsored Luncheon Symposium I : "Mild ovarian stimulation with clomiphene citrate"		
Chair: Makio Shozu, Chiba, Japan		
Co-Sponsored by Schering-Plough		
12:30	Speaker	Shokichi Teramoto, Tokyo, Japan
13:30-13:50 Coffee Break		

13:50-14:50 Session 3:

"Non invasive assessment of oocytes and embryos :Only one embryo to transfer"

Chair: Shehua Shen, California, USA

Chair: Tadashi Okimura, Tokyo, Japan

- | | | |
|-------|-----------|--|
| 13:50 | Speaker 1 | "Non invasive assessment of oocytes and embryos : improving embryo selection to transfer"
Juana Crespo, Valencia, Spain |
| 14:10 | Speaker 2 | "Assessment of embryo viability before transfer : Genomics, Proteomics and Metabolomics"
Denny Sakkas, Connecticut, USA |
| 14:30 | Speaker 3 | "Assessment of Embryo Quality by Live-cell Imaging"
Kazuo Yamagata, Hyogo, Japan |

14:50-15:10 Coffee Break

15:10-16:10 Afternoon Session 1 :

"Poor Responder"

Chair: Timur Gürgan, Ankara, Turkey

- | | | |
|-------|-----------|---|
| 15:10 | Speaker 1 | "Nurturing the ovaries: Treatment of patients with high FSH with delayed stimulation using low dose gonadotrophins"
Milton Leong, Hong Kong, China |
| 15:30 | Speaker 2 | "Poor Responders Updated"
Luis Arturo Ruvalcaba, Jalisco, Mexico |
| 15:50 | Speaker 3 | "Efficacy of IVF-Clomiphene Citrate /Letrozole+Antagonist Protocol in Severe Poor Responders"
Mesut Oktem, Ankara, Turkey |

16:10-16:35 Afternoon Session 2 :

Chair: Milton Leong, Hong Kong, China

- | | | |
|-------|---------|---|
| 16:10 | Speaker | "Highly Glycosylated FSH (HG-FSH): Available Clinical Results and Investigational Issues"
Timur Gürgan, Ankara, Turkey |
|-------|---------|---|

16:35-17:50 Free Communications

Chair: Luis Arturo Ruvalcaba, Jalisco, Mexico

- | | | |
|-------|-----------|--|
| 16:35 | Speaker 1 | "Consequences of cryopreservation protocols of metaphase II oocyte on translation"
Sandrine Chamayou, Sant'Agata Li Battiati, Italy |
| 16:55 | Speaker 2 | "An individualised stimulation algorithm reduces oocyte numbers and removes hyper-stimulation syndrome without affecting pregnancy rates."
John Yovich, Perth, Australia |
| 17:15 | Speaker 3 | "Are Mild ART-derived blastocysts more favorable than conventional COH-derived ones?"
Yasushi Takai, Saitama, Japan |
| 17:35 | Speaker 4 | "Vitrified-warmed blastocyst gives significantly superior clinical result compared to fresh blastocyst transfer in COH cycles --Time to transfer less and vitrify more"
Guoqing Tong, Nanjing, PR China |

18:00-20:00 Gala Dinner

at The Pan Pacific Yokohama Bay Hotel Tokyo

Scientific Program
July 31, 2010
Saturday

09:00-09:35 Plenary Lecture2: "Current status of mild IVF in Japan"		
Chair: Geeta Nargund, London, UK Chair: Willem Ombelet, Genk, Belgium		
09:00	Speaker	Osamu Kato, Tokyo, Japan
09:35-10:35 Session 4: "In vitro maturation of oocytes"		
Chair: Yoshiharu Morimoto, Osaka, Japan Chair: Milton Leong, Hong Kong, China Co-Sponsored by Merck Serono Co.,Ltd.		
09:35	Speaker 1	"In Vitro Maturation of Human Oocytes" Svend Lindenberg, Copenhagen, Denmark
09:55	Speaker 2	"Optimal IVM-IVF for routine clinical use" Aisaku Fukuda, Osaka, Japan
10:15	Speaker 3	"Natural Cycle IVF combined with IVM" Jin-Ho Lim, Seoul, South Korea
10:35-10:55 Coffee Break		
10:55-11:55 Session 5:		
"The role of advanced ultrasound in the management of natural/mild ART"		
Chair: Stuart Campbell, London, UK Chair: Geeta Nargund, London, UK		
10:55	Speaker 1	Stuart Campbell, London, UK
11:15	Speaker 2	"One-Stop Fertility Assessment .The role of advanced ultrasound technology" Geeta Nargund, London, UK
11:35	Speaker 3	"Use of a catheter Designed for Vaginal Ultrasound Guided Embryo Transfer" Marwan Shaykh, Florida, USA
11:55-12:30 Poster Viewing		
12:30-13:30 Sponsored Luncheon Symposium II :		
"Fertility as social priority"		
Chair: Timur Gürkan, Ankara, Turkey Chair: William Ledger, Sheffield, UK Co-Sponsored by Eiken Chemical Co., Ltd TOSOH CORPORATION		
12:30	Speaker 1	"European attitudes to fertility treatment and reimbursement. Current position and future prospects" William Ledger, Sheffield, UK
12:50	Speaker 2	"Fertility preservation in society with fewer children" Harumi Kubo, Tokyo, Japan
13:30-13:50 Coffee Break

Saturday

13:50-15:10 Session 6: "Vitrification for oocytes and embryos"

Chair: Masashige Kuwayama, Tokyo, Japan

Chair: Stanley Leibo, Louisiana, USA

Co-Sponsored by KITAZATO BioPharma.Co.,Ltd.

- | | | |
|-------|-----------|---|
| 13:50 | Speaker 1 | "Application of vitrification for milder IVF"
Stanley Leibo, Louisiana, USA |
| 14:10 | Speaker 2 | "Donor Oocyte Vitrification"
Joni Stehlik, New York, USA |
| 14:30 | Speaker 3 | "Oocytes vitrification for milder IVF in Europe"
Monica Antinori, Rome, Italy |
| 14:50 | Speaker 4 | "BLASTOCYST VITRIFICATION TOWARDS SINGLE EMBRYO TRANSFER
IN THE UNITED STATES"
Terry Schlenker, Colorado, USA |

15:10-15:30 Coffee Break

15:30-16:50 Session 7: "Fertility preservation for cancer patient"

Chair: Bunpei Ishizuka, Kanagawa, Japan

Chair: Yu Ohyama, Chiba, Japan

Co-Sponsored by Future Mother Co.,Ltd.

- | | | |
|-------|-----------|--|
| 15:30 | Speaker 1 | "Fertility Preservation Techniques and Strategies before and after Cancer Treatment"
Timur Grgan, Ankara, Turkey |
| 15:50 | Speaker 2 | "The current approach to oocytes vitrification for cancer patients in Japan"
Takafumi Utsunomiya, Oita, Japan |
| 16:10 | Speaker 3 | "Fertility preservation for cancer patient"
Sherman Silber, Missouri, USA |
| 16:30 | Speaker 4 | "Ovarian tissue vitrification for cancer patients"
Noriko Kawaga, Tokyo, Japan |

16:50 Closing Remarks
